## Come and See the ARK

It's the most authentic replica of Noah's Ark in the world. At 510 feet long, 85 feet wide, and 51 feet high, the Ark is a massive structure. This marvel of engineering is seven stories tall and is a football field and a half long. It is the largest timber frame structure in the world! Prepare to be amazed!

The three decks of world-class exhibits are especially designed to answer your questions about the biblical account of Noah's Ark.

Get ready to experience close-up encounters with stunning animals! Some life-like recreations from Noah's day and many living and breathing animals from today.

Also features the Ararat Ridge Zoo and a Zip line adventure across gorgeous valleys. You can also relax and enjoy the buffet in our two-story restaurant.

Come find out How Noah built the Ark. And how did he feed and care for all of the animals.

## CREATION MUSEUM

The Creation Museum shows why God's infallible Word, rather than man's faulty assumptions, is the place to begin if we want to make sense of our world.

This 75,000-square-foot facility allows families to experience earth history as God has revealed it in the Bible. Nearly 150 exhibits feature fearsome animatronic dinosaurs, talking heroes of the faith, and professional displays that honor God's Word. The museum also boasts a fun-filled, 200-seat special effects theater, a state-of-the-art planetarium, a Children's Zoo, nature trails, and lots more.

At the heart of the Creation Museum is a chronological retelling of biblical history in seven parts called the Seven C's. Guests step back in time, beginning with Creation, and fast-forward to Christ's return. Along the way, they see how God's Word provides the big-picture answers for our most difficult questions, whether about science, the Bible, or our personal relationship with God.

The Creation Museum is a Christian evangelistic outreach of Answers in Genesis.

A new exhibit about Israel during the time of Jesus is now open at the Creation Museum. It greatly aids in putting the entire New Testament in context for our guests. This will make people excited to go home and re-read their New Testament!
